Vision, Mission and Objectives

Vision Statement

Our vision is to become a leading organization in Brandon, inspiring positive change and shaping the future of support services for individuals with intellectual disabilities. We envision a compassionate, inclusive, and integrated society where every person, regardless of their abilities, is valued, respected, and given the opportunity to reach their full potential.

Mission

At Family Visions Inc. our mission is to empower individuals with intellectual disabilities to lead fulfilling lives through the provision of quality support services, advocacy and education.

Objectives

To provide individualized support services tailored to meet unique needs, strengths, and aspirations of each person with intellectual disabilities. This approach ensures that each individual receives the right support to promote their personal growth, independence, and quality of life.

To promote the inclusion and active participation of individuals with intellectual disabilities in the Brandon community. This objective involves fostering opportunities for social interaction, volunteer work, employment, and recreational activities; enabling individuals to engage meaningfully within their community and build strong relationships.

To raise awareness and advocate for the rights, needs and well-being of individuals with intellectual disabilities; includes working closely with families, community partners, and local authorities to break down barriers and create a more inclusive supportive and accessible environment for all.

To continuously evaluate and improve the quality of support services provided by Family Visions in Brandon. This objective aims to ensure that the organization remains responsive to the evolving needs of the Supported Individuals they serve and embraces best practices and maintains a high standard of care and support.
